Education

Lakshya Institute Of Technology Aug. 2025 (present)
Bachelor of Science in Information Technology Management *Bhubaneswar, Odisha*

Professional Summary

- I am a dedicated B.Sc. ITM (Information Technology and Management) second-semester student with a strong interest in technology, programming, and problem-solving. I am passionate about learning new concepts and continuously improving my technical and analytical skills. I am a quick learner, adaptable to new challenges, and committed to academic excellence and personal growth. I aspire to build a successful career in the IT industry by gaining practical experience and contributing to innovative solutions. .

Projects

College Site | *HTML,CSS,Javascript* June 2026

- After completion of learning HTML, CSS and JS. I had done this dummy project to implement the ideas I created through the lessons .
- Developed a multi-page informational website for the college covering departments, admissions, and events sections Structured semantic HTML and modular CSS to improve code readability and maintainability .
- Added responsive navigation and contact form validation using JavaScript, reducing invalid form submissions.

EcoNest | *HTML, CSS, JavaScript, PHP* Group Project

- Worked in a team to design and develop EcoNest, a full e-commerce website, as a group project.
- Built the front end with HTML, CSS, and JavaScript for a responsive, user-friendly shopping interface, and used PHP for server-side functionality.
- Collaborated with teammates to divide tasks, integrate individual modules, and deliver a working end-to-end project.

Technical Skills

Languages: Core Java, Core Python, HTML/CSS
Developer Tools: VS Code, Sublime Text, IDLE, Note Pad
Technologies/Frameworks: Linux, GitHub, WordPress

Qualifications
